5. Evaluate your solution.

Was it the best solution? Would one of your other ideas have been better? Why or why not?

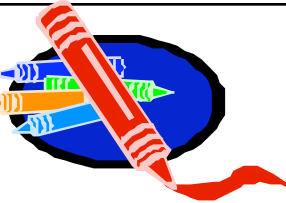

What would you have done differently?

Can you add to it to make it better? What would you add to it?

Guided Portfolio

Attach a photograph of your final project here. If you do not have a photograph, draw a picture of your final product.

How would you make your project better? Draw a picture showing how it would look after you made changes to it.
