

“You’re Invited!”

Our school will have “Meet the Teacher” night next week. This year the whole school will be focusing on *Children’s Engineering*. This is a great chance to show your parents how *Children’s Engineering* can help you learn. We are going to do this by completing a card engineering activity which you can take home as a personal invitation for them to visit our school.

Design Challenge:

Design and make an invitation to give to your parent inviting them to “Meet the Teacher” night.

Criteria:

Your card must:

- have at least one pop up part.
- have a lever operated moving part.
- fit into a 10 inch by 12 inch envelope.
- have “You’re Invited!” written on the moving part.
- have the date and time inside.
- be attractive and use correct spelling throughout.

What can you use?

- construction paper
- card stock
- paste
- scissors
- brads
- markers
- crayons
- colored pencils
- other materials that might be supplied by the teacher
