

SAVE ALEXANDER'S MONEY!

Based on the book

Alexander Who Used to Be Rich Last Sunday by Judith Viorst

We just read, Alexander Who Used to be Rich Last Sunday. Alexander needs to save his money! Can you help him?

Design Challenge:

Design and create a container for Alexander's money. You may use only the materials set out by your teacher. The container must be able to open and close safely and safely hold \$1.00 in coins.

Criteria:

Your container must:

- have a lid that opens and closes
- hold \$1.00 in coins safely (not falling out)
- not be larger than 12 inches X 12 inches.

Materials: You may select from the items below.

- cardboard
- string
- brads
- paper
- tape
- glue
- fabric scraps
- pipe cleaners
- cardboard tubes
- buttons
- art supplies
- materials from our recycle bin
- other materials the teacher has set out

Tools: • scissors • hole punch
