

China

Background:

Students have been studying the geography, history, and contributions of Ancient and Modern China.

Challenge:

Create a foldable that includes information on the geography, history, and contributions of China, past and present. Include 5 facts of each title in complete sentences, have at least one Chinese symbol of writing on the front, along with the title: *Geography History of China Contributions and Achievements of the Chinese*

Criteria:

Your foldable must have

- titles and sections for *Geography, History of China, Contributions and Achievements of the Chinese*.
- five facts written in complete sentences under each heading on the inside.
- three flaps at least 4 inches wide.
- a colored picture on each flap on the inside.
- a Chinese symbol on each flap on the outside.
- a pop-up on the inside with your name and homeroom teacher on it.

Materials:

- construction paper
- tape
- glue
