

Family Fun Night

Background:

We have been studying families. We have shared stories about the size and types of families we have. We know about blended families and stepfamilies. We also shared some of the things that we like to do with our family members. Playing all sorts of games seemed to be a part of what everyone enjoyed doing with their family members. Therefore we have designated a night for whole families to come out and enjoy fun games and light refreshments.

Challenge:

Your challenge is to design and create a poster to be displayed throughout the school inviting all families to come and participate in our **1st Annual Family Fun Night**.

Criteria:

Your poster must

- be larger than a sheet of copy paper.
- have one moving part.
- have one pop-up.
- have “Family Fun Night” written on it large enough to be seen across the room.
- have “popcorn” and “drinks” written on it.
- have the day, date, and time written on it.
- have your first and last name written at the bottom in small letters.
- have a large drawn picture of your favorite game on it.
- have correct spelling.

Materials	Tools
<ul style="list-style-type: none">• cardboard• poster board / tag board• construction paper• scarp paper box• glue• paper fasteners• scrap materials box (used yarn, ribbon, buttons, etc.)	<ul style="list-style-type: none">• markers• crayons• scissors• ruler• pencils• push pin in eraser
