

Penguins in Winter

It's winter! Winter weather is cold and makes us think of cold weather animals. One animal that likes the cold is the penguin.

Challenge: Design and create a penguin.

After your creation is finished, write 2 sentences telling about your penguin.

Criteria: Your penguin must:

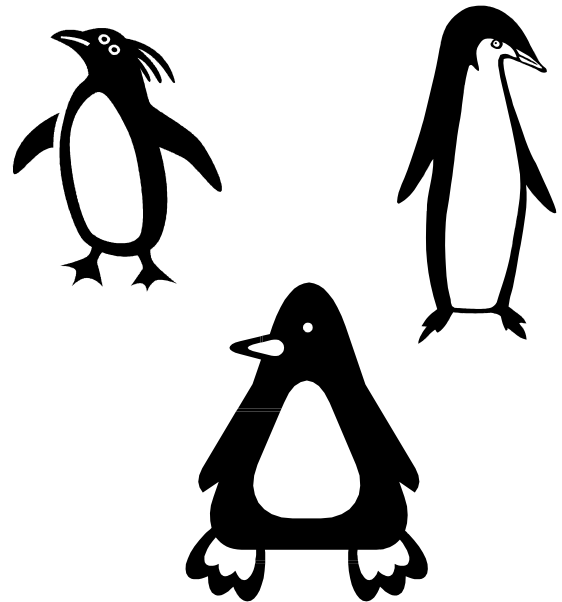

- ** stand by itself. (*What makes it stand must be a part of your creation. You may not attach your penguin to something else that makes it stand.*)
- **have a face.
- **have 2 feet.
- **have 2 flippers.

Materials:

- *white construction paper
- *black construction paper
- *paper in the scrap box
- *craft sticks
- *yarn
- *empty paper cores
- *writing paper
- *glue and glue stick

Tools:

- *scissors
- *pencils
- *hole punch
- *markers
- *crayons
- *ruler

Evaluation:

- Does your penguin stand alone, without help or support? yes no
- Does it have a face? yes no
- Does it have 2 feet? yes no
- Does it have 2 flippers? yes no
- Did you use any materials or tools not on the challenge? yes no
- Did you write 2 sentences about your penguin? yes no
