

Snail's Adventures

We have been reading several stories about space. In The Adventures of Snail at School, Snail met a new friend named Edie.

Design Challenge:

You have been asked to design and make a new alien friend for Snail to play with after school.

Limitations:

Your alien must:

- Be able to either sit or stand on his own
- Have arms, legs, or a body of an alien

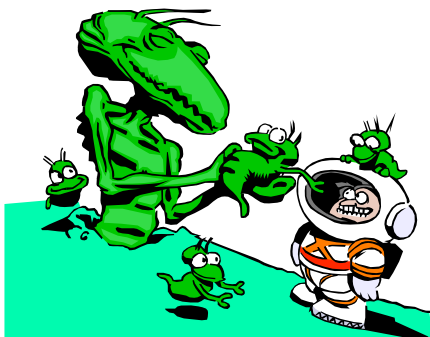

What can you use?

Materials:

- *construction paper
- *glue
- *markers
- *crayons
- *brads
- *pipe cleaners

Tools:

- *scissors
- *hole punch
