Design Brief

Patriotism Program

The first grade is planning a program about American symbols and famous Americans to share with our families. We will be singing songs, sharing riddles and honoring our veterans.

Design Challenge:

Design and build a model of Uncle Sam.

Limitations:

Your Uncle Sam must have:
- ☐ at least one moving part (lever), but no more than four moving parts
- ☐ arms, legs, and a body of Uncle Sam

What can you use?

Materials:

- *construction paper
- *glue
- *markers
- *crayons
- *brads

Tools:

- *scissors
- *hole punch

Virginia Standards of Learning
- **Science:**
