

## Jenny's Journey

In the book *Jenny's Journey* by Sheila W. Samton, Jenny took an imaginary trip to visit her friend Maria. Jenny sailed out of the harbor and had many adventures before reaching the new island home of her friend.

### **Challenge:**

Design and build a structure for Jenny to travel on the ocean to see her friend Maria.

### **Criteria:**

Your transporting structure must

- be able to move on water.
- have a moving part.
- be able to carry Jenny. (3 Unifix cubes can be used to represent Jenny.)

<b><u>Materials:</u></b>	<b><u>Tools:</u></b>
You do not have to use everything.	
• construction paper	• scissors
• tag board	• hole punch
• string	• ruler
• scrap paper	• glue stick
• craft sticks	• pencil
• fabric scraps	• crayons or colored pencils
• toothpicks	• pushpin paper drill
