

# Inch by Inch

We are studying about measurement and measuring to the nearest inch.

## **Challenge:**

Design and create a poster that illustrates the meaning of “one inch.”

## **Criteria:**

Your poster must –

- Δ be at least 8 inches on each side.
- Δ have a title written in one inch letters.
- Δ have at least 5 examples of items that are one inch long.
- Δ be attractive.

## **Materials:**

- \*construction paper
- \*scrap paper
- \*yarn
- \*ribbon
- \*wrapping paper
- \*magazine pictures
- \*items from a teacher supplied “odds & ends” bag

## **Tools:**

- \*scissors
- \*ruler
- \*pencil for writing
- \*pushpin paper drill
