

Frogs, Frogs Everywhere!!

We have been learning about frogs and their life cycle.

Challenge:

Design and build a model of a frog that demonstrates the knowledge you have gained about frogs.

Criteria:

Your frog must

- have one or more moving parts.
- be freestanding.
- have at least 5 facts that you learned written neatly and displayed on your frog.
- include at least one fact about the life cycle of a frog.

Materials: You do not have to use it all!

- *construction paper
- *brads
- *teacher provided recyclable materials
- *pipe cleaners
- *craft sticks
- *yarn
- *scrap paper
- *glue
- *tape – 12 inches

Tools:

- *scissors
- *hole punch
- *ruler
- *markers, crayons, colored pencils
- *pushpin paper drill
