

Classic Columns!!

Some styles of architecture used today came from ancient Greece. We have been learning about the columns of ancient Greece.

Challenge: Design and build a model of your favorite column from ancient Greece.

Criteria: Your column must -

- be free standing.
- contain accurate architecture details.
- be identifiable by architectural style to observers.
- be at least 6 inches tall.

Materials: Use what you want. You do not have to use it all!

- *construction paper
- *brads
- *pipe cleaners
- *yarn
- *scrap paper
- *cardboard
- *clay
- *tape – 12 inches
- *glue

Tools:

- *scissors
