

Roman Money!!

The Ancient Romans used coins as their method of payment for goods and services. The coins usually had a portrait of the emperor on one side.

Challenge:

Design and build a model of a new coin.

Criteria:

Your coin must -

- have your profile on one side.
- have a meaningful design on the other side.
- have a date written in Roman Numerals.
- have the value written on one side.
- have a diameter of at least 6 inches.

Materials: Use what you want. You do not have to use it all!

- *construction paper
- *scrap paper
- *cardboard
- *cardstock
- *glue

Tools:

- *scissors
- *hole punch
- *ruler
- *colored pencils
- *pencil for writing
