

## Let's Go to the Store!!

We have been learning about the economy and wants and needs. We need to be able to identify, count, and use money in daily life. During the unit, you will have an opportunity to earn "money" for doing your job, that is, working hard in school. You will need a purse or wallet to keep your money safe for a trip to the class store.

### Challenge:

Design and make a purse or wallet to hold your money for your trip to the class store.

### Criteria:

Your purse or wallet must:

- ◇ hold bills and change.
- ◇ hold at least 5 quarters.
- ◇ have a way to keep the coins from falling out.
- ◇ be no bigger than 5 large linked paper clips long and 3 linked large paper clips high.
- ◇ be usable and attractive.
