

CHECKCARD - Square-based Pyramid Net

NETS, PATTERNS & GRAPHICS
By Peter Sellwood

Directions:

1. Draw your pattern on CheckCard.
2. Cut out around the outside of the shape.
3. Score and fold on the dotted lines. You should be able to see the finished shape.
4. Apply paste to the shaded tabs. Press firmly so that the pyramid holds its shape.

Hint:

You can make the pyramid larger by increasing the sides by equal units of 1 cm.
